LCYC-After School Program

All 5th and 6th grade students are invited to attend the LCYC After School Program every Tuesday and Thursday at Westview Elementary from 3:15-5:15. Information is available in our office.

Homework is an extension of the classroom and is respectfully used as such at Westview Elementary. Teachers often use completed homework as a tool to check for understanding, as an instructional guide, to determine the need for the re-teaching of a skill or concept and also as enrichment opportunities. I appreciate your support for our teachers and their dedication to your child's education.

Afternoon Student Pick-Up

Thank you for everyone's cooperation with our Afternoon Student Pick Up procedure. **Please remember school dismisses at 3:15 unless prior arrangements have been made with the school students should be picked up by 3:20.**

Supervision at Basketball Games: A reminder to parents that children under the age of 7th grade must be under the supervision of an adult when at all Westview Junior and Senior High School basketball games (this includes 6th grade games). The safety of children cannot be guaranteed and monitoring children at these public performances is the responsibility of the parent. Thank you for your cooperation.
