UPCOMING TESTING—

Students will be taking ISTEP again this Spring. The dates for Session 1 testing are February 26-March 9. Testing sessions will include Mathematics, English/Language Arts, Science for 6th grade and Social Studies for 5th grade. I encourage you to help prepare your child for testing by having them eat a healthy breakfast and get plenty of rest. It is important for students to be present during testing so please try to schedule appointments outside the testing window. We discourage student sleepovers during ISTEP testing in order to ensure proper student rest. Thank you for your cooperation.

Standardized testing provides data that indicates student academic achievement and progress.
